PROMISSORY NOTE

\$33,750

November 9, 2012
Las Vegas, Nevada

For value received Bamburgh Holdings, LLC, a Nevada limited liability company or its successors or assigns (“**Payor**”) promises to pay to Stuart Titus or successors or assigns (“**Holder**”) the principal sum of \$33,750.00 on the terms set forth below.

1 . **Series of Notes.** This note (the “**Note**”) is issued as part of a series of similar notes (collectively, the “**Notes**”) which may be issued for loans made to Payor by Holder. The balance of the Notes hereby issued may increase by additional loans from Holder to Payor without the need for amended, additional or supplementary Promissory Notes to be executed. All Notes shall be deemed issued under terms identical to those set forth in this Note. A balance of each Note will be maintained by the Payor showing loans received, interest accrued and repayments made by Payor. The Notes shall bear interest at a rate of 5% per annum and shall be repaid as set forth below in Section 3.

2 . **Application of Payments.** All payments under this Note, including prepayments, shall be in lawful money of the United States of America and shall be made pro rata among all Notes in proportion to their relative principal amounts. Unless and until there is a Default (as defined below) all payments shall be applied to principal and interest.

3 . **Maturity Date; Timing of Payments.** The principal, together with any accrued but unpaid interest on the Notes shall be due and payable in full on or before November 1, 2020 (the “**Date of Maturity**”), provided however that prior to the Date of Maturity, Payor shall make payments on the Notes as follows:

(a) Commencing on the first day of the month following Payor's receipt of financing (whether debt, equity or other type of financing from whatever source) of at least Fifty Thousand Dollars (\$50,000), and on the first day each month subsequent thereto until the Notes are paid in full Payor shall make payments to Holder equal to the accrued interest on the Notes in the month immediately prior to the payment date; or

(b) Notwithstanding the foregoing, Payor shall begin making monthly payments equal to the accrued interest on the Notes beginning November 1, 2013.

4. **Prepayment.** Payor may prepay this Note in whole or in part without penalty or premium.

5. **Default.** The term “**Default**” as used in this Note means any of the following events:

(a) Payor fails to pay this Note as set forth in Section 3 and such non-payment continues unremedied for a period of thirty (30) days after Payor receives notice of such default from any Holder.

(b) Payor is served with petition for relief under 11 U.S.C. 1 *et seq.* or any similar federal or state statute, or a proceeding is instituted against Payor seeking a readjustment of Payor's indebtedness, or an action is commenced to appoint a receiver or trustee for all or substantially all of Payor's property, and Payor fails to cause such proceeding to be dismissed within ninety (90) days after it is instituted against Payor.

(c) Payor files any petition for relief under 11 U.S.C. 1 *et seq.* or any similar federal or state statute, Payor makes a general assignment of its assets for the benefit of its creditors or consents to the appointment of a receiver or trustee for all or substantially all of Payor's property.

6. **Remedies Upon Default.**

(a) Upon the occurrence and during the continuance of a Default, the Holder may, by written notice to Payor, accelerate the due date of the principal amount owing under this Note. Such accelerated amounts shall become immediately due and payable upon receipt of such notice by Payor. If the Holder accelerates the amounts due under this Note. The Holder shall have the right to pursue any or all of the remedies provided in this Note, including, but not limited to, the right to bring suit on the Note. Upon a Default and during the continuance thereof, the unpaid principal then owing shall bear interest at ten percent per annum.

(b) Upon Default, the Holder shall have all rights available at law or in equity, including all rights available to a holder of a negotiable promissory note under the Nevada Uniform Commercial Code. All rights and remedies granted under this Note shall be deemed cumulative and not exclusive of any other right or remedy available to the Holder. The failure of the Holder to exercise its rights and remedies with respect to a particular default shall not constitute a waiver of the default or a waiver of any subsequent default.

7. **Attorneys' Fees.** In the event of any Default hereunder, Payor shall pay all reasonable attorneys' fees and court costs incurred by Holder in enforcing and collecting this Note.

8. **Waiver of Notice.** Payor hereby waives demand, notice, presentment, protest and notice or dishonor.

9. **Governing Law.** The terms of this Note shall be construed in accordance with the laws of the State of Nevada, as applied to contracts entered into by Nevada residents within the State of Nevada, which contracts are to be performed entirely within the State of Nevada.

10. **Amendment.** Any term of this Note may be amended or waived with supermajority approval and written consent of Payor. Holder acknowledges that because this Note may be amended, Holder's rights hereunder (including, without limitation, Holder's right to receive payment as due) may be amended or waived without Holder's consent.

11. **Notices.** All notices, demands and requests of any kind to be delivered to any party in connection with this Note shall be in writing and shall be deemed to have been duly given if personally delivered or if sent by nationally-recognized overnight courier or by registered or certified mail, return receipt requested and postage prepaid, addressed as provided below. As amended from time to time by notice from one party to the other.

ORAL AGREEMENTS OR ORAL COMMITMENTS TO LOAN MONEY, EXTEND CREDIT OR TO FOREBEAR FROM ENFORCING REPAYMENT OF A DEBT ARE NOT ENFORCEABLE UNDER NEVADA LAW.
